GROUND TACTICS COACHES COURSE

****ALL LEVELS****

August 12-14, 2026

PRCJTA, Martinsville, VA

Bridging the Gap

Established in 2014 by experienced law enforcement professionals, our Ground Tactics Coaching Program addresses the critical gaps in traditional training programs.

Program Focus:

Tactical Assessment: Learn to evaluate and respond effectively to incidents that escalate to ground situations.

Integrated Training: Our curriculum bridges defensive tactics, arrest control, firearms, and less lethal training, ensuring a comprehensive response in real-world scenarios.

Decision-Making Process: Emphasize tactical decision-making to enhance your ability to manage complex situations with confidence.

Empower Your Potential

Our program is designed to coach students through a positive, confidence-based approach, empowering them to become their best.

We provide the necessary instruction and practice to develop the skills needed to coach others effectively.

Why Choose Us?

Progressive Training: In 2026, law enforcement professionals deserve training that is innovative in its delivery, methodology, and skills.

Comprehensive Preparation: We take our responsibility seriously, preparing today's professionals to meet the demands of a challenging world.

Experience the Difference: Come see how our unique approach sets us apart!
